

Privacy Policy

Your privacy is very important to us. We want your experience on the Internet to be as enjoyable and useful as possible, and for you to feel comfortable using the wide range of information, tools and opportunities that the Internet offers. Personal data collected upon registration (or at any other time) is primarily used to prepare Products or Services in accordance with your needs. Your information will not be shared or sold to third parties. However, we may disclose some personal information in special cases described in this Privacy Policy.

Scope of the Privacy Policy

This Privacy Policy (hereinafter referred to as the "Policy") applies to information obtained through this site, other sites, widgets and other interactive tools used that contain a link to this Policy (hereinafter referred to as the "Site") from users of the Site (hereinafter referred to as "Users").

The following rules describe how SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC treats any information relating to a directly or indirectly identified or identifiable individual (personal data subject) (hereinafter referred to as "Personal Data") for the purpose of providing services using the Site.

Users include all individuals who connect to and use the Site.

Users expressly consent to the processing of their Personal Data as described in this Policy. Processing means any action (operation) or set of actions (operations) performed using automation tools or without the use of such means with Personal data, including collection, recording, systematization, accumulation, storage, clarification (updating, changing), extraction, use, transfer (distribution, provision, access), blocking, deletion, destruction of Personal Data.

This Privacy Policy is effective from August 1, 2024.

Controlling and processing entities

Users agree that:

* By using the Site and accepting the terms of use published on the Site, the user expressly agrees to the processing of his Personal data in the ways described in this Politics.

* Processing of Users' Personal Data is carried out by the Personal Data Operator - SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC (License No. 916546, Address : 3819, The One Tower – Barsha Heights Tecom , Dubai).

For what purpose is this data collected?

Last name, first name are used to address you personally, contact phone number to contact you, and your e- mail to send you information about how to access the services you purchase (including tickets to the event) , newsletters, training news, useful materials, commercial offers. You can unsubscribe from receiving emails and remove your contact information from the database at any time by clicking on the unsubscribe link included in each email.

Processing of Personal Data

When registering on the Site, Users confirm their agreement with the terms of this Policy and their consent to the processing of their Personal Data in accordance with the terms of this Policy.

The processing of Personal Data is carried out no longer than required for the purposes of processing Personal Data set out in this Policy (except for cases provided for by law). SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC may process the following Personal Data:

* email address and other contact information;

* communications sent using the Site and communications sent to SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC;

* other information about the User's interaction with the SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC Site, the results of collecting statistics of visits to the SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC Site and publicly available information about programs and devices used for such access;

* additional information that SYNERGY ADVISORY FACILITY MANAGEMENT SERVICES LLC requests from Users to verify their identity. How

this data is used

The site uses cookies and visitor data . Using this data, information is collected about the actions of visitors on the site in order to improve its content, improve the functionality of the site and, as a result, create high-quality content and services for visitors. You can change your browser settings at any time so that the browser blocks all cookies or alerts you when cookies are being sent. Please note that some features and services may not function properly.

How this data is protected

We use a variety of administrative, managerial and technical security measures to protect your personal information. Our Company adheres to various international control standards aimed at dealing with personal information, which include certain controls to protect information collected on the Internet. Our employees are trained to understand and comply with these controls and are familiar with our Privacy Notice, policies and guidelines. However, while we strive to keep your personal information secure, you must also take steps to protect it. We strongly recommend that you take all possible precautions while surfing the Internet. The services and websites we operate include measures to protect against the leakage, unauthorized use and alteration of information under our control. While we make every effort to ensure the integrity and security of our network and systems, we cannot guarantee that our security measures will prevent third party hackers from unlawfully accessing this information.

If this privacy policy changes, you can read about these changes on this page or, in special cases, receive a notification by e- mail .
